

## Re-Build-It Store

1455 East Main Street, Annville, PA 17003

A partnership between Jubilee Ministries  
& Habitat for Humanity of Lebanon County

The used construction supply store recycles overstocked, discontinued, new and used building materials donated by manufacturers, stores, contractors and individuals. These donated items are primarily sold to the public. Depending on the quality of the items, they may be used in the construction of Habitat houses.

The net income generated by the store is used to support the missions of Jubilee Ministries and Habitat for Humanity of Lebanon County.

### Donations

All donations must be building material related, in good, working order and able to be resold. All donations are subject to refusal upon inspection.
